

**ALL AIR-COOLED GATHERING**

# **PET POLICY**

---

We here at the Central Jersey Volkswagen Society love our pets, for many of us they're like family. At the All Air-Cooled Gathering we have done our best to make this event one that can be appreciated by the whole family, and that includes our pets. In the past, we haven't had an official policy regarding our furry family members because there really wasn't a need. However as our event has grown, more folks attend with their pets and unfortunately, a few folks in the past have not managed their pets as they should. So in an effort to continue to allow our pets to take part in the Gathering, we are establishing this policy. Unfortunately if this policy is not adhered to, we will be forced to ban our pets all together.

## **ZERO TOLERANCE**

Basically our policy is this. "You must be in control of your pet at all times. Your pet must not be people aggressive. You must clean up after your pet." If any of these rules are not followed, you will be asked to leave. There will be no exceptions, no debates, no favors. One mistake and you must leave. This may sound harsh, but please understand that we want to allow pets and we don't want to jeopardize our privilege to include them at our event. Nobody wants to be afraid if you have an aggressive pet, no one wants their cars damaged by a pet allowed to jump up on it, and most importantly, no one wants to step in a mess left by a pet.

## **RESPONSIBLE PET OWNERS**

We need your help, if you see someone who's not following this policy, please stop them and tell them what is at stake. If they do not cooperate, please see a CJVWS club member for assistance. We will see that the problem is solved. Without your help, the fate of our pets at the Gathering is at risk.

Thank you for your cooperation and please enjoy the show.

Your  loving friends at CJVWS
